MINGUS

I can't stand her mother doesn't monitor what Willow watches on TV. Oh and by the way Lulu called me fake daddy again.

1004

MARION

I've got to call Jack, I can't believe he's still doing it again.

MINGUS

And constantly texting you dirty messages hoping I'll find them and get really jealous. And what is up with your sister and that guy? What is wrong with him, bringing a dealer to our house?

MARION

He's an idiot but I'm sure he got the message loud and clear and don't worry sweetie Willow had no idea what was going on.

MINGUS

I mean she is pretty, she could get a decent guy...

MARION

Really, you think she's pretty? Well she used to be very pretty.

MINGUS

By the way she was walking around the apartment naked earlier today... Is that a French thing?
